COURSE NEWS

Superintendent Mike Hodgetts and his crew have been busy this winter. The new maintenance sheds are a big enhancement, and also provide extra charging capabilities for our carts. On that note, all carts have been serviced and are ready for the new season.

Selected tee boxes have been leveled and cart path work continues.

Bunkers and summer tees will be put in play, weather dependent, April 1st

PERSONAL NOTES

As well as welcoming Mike Ntarelli to our staff, we also need to offer our Congratulations and Thanks to Sam Throp. Sam is leaving in April to pursue other career goals, although we're sure she'll be around regularly both playing and stepping in occasionally to help out.
